You can retire with the knowledge that your safety, comfort and peace is a priority.

Zambezi Retirement Village is proud of being a very well managed facility with a sense of space and beautiful, well kept, natural grounds.

The village provides all you need, plus a little bit more. It has a frail care unit for specialised care plus it has a vibrant, multi-functional social community.

The village is nestled on a terrain with lots of space and beauty for long, peaceful hikes.

This North Facing unit has 2 bedrooms with 1 bathroom and an open plan living area and kitchen. It has an all-weather, enclosed patio area as well as an outside patio with a louvre roof and a garage with a carport.

The levies include water and all the communal expenses, such as terrain and building maintenance, building insurance and security.

Don't wait until it is too late to make this wonderful move.
